Title: Grants Uranium – Phase III Safeguard & Reclamation Project

Opening date: August 28, 2015

This Amendment is issued to reflect the following changes:

Replace the Wage Rate schedule that is currently in the Project Manual starting on page 71 with the attached Wage Rate Update for Wage Decision No. MC-15-1099 A.

The previously issued Wage Rate Decision number is hereby rescinded by the Director of the Labor Relations Division. This action is being taken due to a recent decision by the District Court in the 2nd Judicial District of New Mexico.

An administrative appeal has been filed so until such time as the appeal is resolved, or further court action advises otherwise, this District Court decision requires the Department to administer and enforce the Prevailing Wage Rates which are attached to this notice.

A potential Bidder must acknowledge receipt of this Amendment by entering the number and the date of this amendment/addendum on page 20 of the Project Manual and submitting with your Bid Packet.

All other items, terms and conditions shall remain the same.
